Species may be added or deleted at the Organisers discretion.

Senior and Junior Anglers – only the top 3 fish in each species are eligible for points.

Competitors will be advised of any changes at the Briefing & Registration.

For the purpose of this Tournament the Organisers may impose minimum species length eligibility above that set by NSW Fisheries. These lengths appear alongside the eligible species above. Please visit dpi.nsw.gov.au/fisheries for the latest statutory species and bag limits.

Fish weighed in will have their tails docked. Live fish being released into the Bay or Big Tank for display and later release will not have their tails docked. Many anglers return their catch to the water alive after weigh-in, and this behaviour is encouraged and applauded by the Organisers.

Champion Angler & Species Prizes:

Titles will be awarded to the Senior & Junior Anglers who over the Tournament amass the most points counted as follows:

1st Heaviest of a species: 5 points

2nd Heaviest of a species: 3 points

3rd Heaviest of a species: 1 point

In the event of a tie, the winner will be the first person or boat to reach the winning points.

Junior Anglers – to spread the prize pool & encourage Juniors, species prizes will be limited to two per Junior angler. Where a Junior angler wins more than two species awards, their two highest placed fish will be awarded prizes. Their eligible catch points will still be allocated towards Champion Junior Angler (and Champion Boat if applicable) for any additional point scoring fish. However, the prizes for those additional fish will be awarded by way of a lucky draw involving all Junior anglers that are entered and present at the Sunday Awards Presentation.

Champion Boat

Titles & prizes will be awarded to the boat that amasses the most eligible points as detailed for Champion Angler above. Only the top 3 fish in each species (whether caught by a Senior or Junior Angler) will be awarded points for "Champion Boat".

Failure to abide by any of the Tournament Rules may result in disqualification from the Tournament at the Officials discretion.
